My sorrow is like  
leaves flying in the air  
when the wind strikes  
blowing everywhere  
and I can't stay living in this tearful valley  
so I just pray for having all the force  
to be a stream leading it course  
Flowing up to it's source

[Bridge I:]  
But my love is for the only light  
but my heart goes to standing right

[Chorus:]  
If I could flee  
from my sorry thoughts  
like the rivers running slope down at last to be free  
When I see  
lovers who can dream

with sweet fancies that will never be  
a truth of me

nobody can live  
twice in just one time  
Neither can give  
Twice love in it's prime  
but van't prevent feeling to surrender to love  
So I feel myself prisoner of sin  
when y give to the eart my skin  
And my soul to the wind

[Bridge II:]  
but my love is keeping watch the night  
But my heart cries the eternal fight

[Chorus]

[Bridge I]

[Chorus]
