Life is a dream...
Nothing's inside
Such as it seems,
As you've eyed.

Life is a dream,
So dreams the ram
Like dreams the lamb,
Thus, I just dream
What I am.

It's a kingdom and a jail,
It's as solid as it's frail,
And the only truth is dreams are dreams.
It's a kingdom and a jail,
It's a shade behind a veil,
And we fall in it's schemes.

Odd contradiction:
Life is a dream.
Mixes facts and fiction,
Gold with stones that gleam;
And dreamers
With kings.

Dreams, like real things,
Confuse the human beings.
Life is a stage,
This is the norm,
One could be a sage
Or could be a fool when performs
It's role in this form.

It's a kingdom and a jail,
It's as solid as it's frail,
And the only truth is dreams are dreams.
It's a kingdom and a jail,
It's a shade behind a veil,
And we fall in it's schemes.

Odd contradiction:
Life is a dream.

Mixes facts and fiction,
Gold with stones that gleam;
And dreamers
With kings.

Odd contradiction:
Life is a dream.
Mixes facts and fiction,
Gold with stones that gleam;
And dreamers
With kings.
