By night,
Death at nigrum Masses.
By day,
Emptying liquor glasses.
This time,
A remorse harasses:
I can't help doing it!

[Bridge:]
Blood and semen
For a demon,
Children butcher,
More in future,
Driven crazy,
Living hazy,
All to make the Work.

[Chorus:]
I'll solve the enigma
Of timeless life,
I've got the stigma
Marked by a hot knife.
Eternal life!

By night,
Bloody orgies sessions.
By day,
The Alchemy obsession.
This time,
Regretful confession:
I can't helping doing it!

[Bridge:]
Blood and semen
For a demon,
Children butcher,
More in future,
Driven crazy,
Living hazy,
All to make the Work.

[Chorus:]

I'll solve the enigma
Of timeless life,
I've got the stigma
Marked by a hot knife.
Hahahahaha!

[Guitar solo: Enrik]

[Chorus:]
I'll solve the enigma
Of timeless life,
I've got the stigma
Marked by a hot knife.
Eternal life!

Mhahahahahaha!
