[Chorus]

Faustus

The time has come for you

And here's your sentence

That is your fate and

It's no use repentance

You must pay with your soul, Faustus

You have come to your goal, Faustus

You wished the deepest

Knowledge of tomorrow

And power to clean off

Grievance and sorrow

We have made your wish true, Faustus

Now we are over you

Love, your force may get me free

And show me how to flee

From my fate

When my time is over

Love, you help me to understand

That all is in my hand

Just today

Not far away

[Bridge]

Love..., I've fallen in distress and dismay

Because I'm waited

Predestinated

Fated...!

[Chorus]

Mephisto, the intriguer

For your soul, is eager

There's a compact you've consented

With blood your soul have been rended

Knowledge, I prayed to you

But now my soul to love I have just paid

Me, a renegade

Love..., I've fallen in distress and dismay

Because I'm waited

Predestinated
Fated..!
