Dark thoughts invade my mind  
The dancing is frenzy  
The monolith raises sinister  
A monotonous melody  
The madness is a torturing game  
Slow is killing me  
My soul cries bitter hopes  
While they all sing

[chorus]  
The call of Cthulhu  
The call of Cthulhu  
Crazy dreams...

Remember (the) words of Necronomicon  
The wind howls again  
The black gate opens silently  
Do I see the truth?  
Hideous tentacles on his face  
A shout without voice

Immense mountains of malevolence  
While they all pray

[chorus]

"That is not dead  
Which can eternal lie  
Yet with strange aeons  
Even death may die"

Remember the face of my Master  
In my dreams under the sea  
Open the door and rip the veil  
Tell me the word, give me the power  
Of the black ancient knowledge  
IA JAG SATHOT  
IA SUB NE GU RATH

[chorus]
