Babe, come in from the cold and put that coat to rest  
Step inside, take a deep breath and do what you do  
best  
Yeah, kick off them shoes and leave those city streets  
I do believe love came our way and fate did arrange  
for us to meet

I love when you do that hocus pocus to me  
The way that you touch, you've got the power to heal  
You give me that look, it's almost unreal, it's almost  
unreal

Hey, we can't stop the rain  
Let's find a place by the fire  
Sometimes I feel, strange as it seems  
You've been in my dreams all my life

I love when you do that hocus pocus to me  
The way that you touch, you've got the power to heal  
You give me that look, it's almost unreal, it's almost  
unreal

It's a crazy world out there, it's a crazy  
Let's hope our prayers are in good hands tonight

Oh, I love when you do that hocus pocus to me  
The way that you touch, you've got the power to heal  
You give me that look, it's almost unreal  
It's almost unreal, so unreal

Yeah, come on and do the hocus pocus to me  
The way that you touch, you've got the power to heal  
You give me that look, it's almost unreal, it's almost  
unreal, oh yeah

It's almost unreal  
Do the hocus pocus to me, do the hocus pocus  
Do the hocus pocus to me, do the hocus pocus  
Do the hocus pocus to me
