Anyone who have a love close to this
Knows what I'm saying
Anyone who wants a dream to come true
Knows how I'm feeling

All I can think of is you and me
Doing the things I wanna do
All I imagine is heaven on earth
I know it's you

Anyone who ever kissed in the rain
Knows the whole meaning
Anyone who ever stood in the lights
Needs no explaining

But everything more or less
Appears so meaningless
Blue and cold
Walking alone through the afternoon traffic
I miss you so

Anyone who felt like I do
Anyone who wasn't ready to fall
Anyone who loved like I do
Knows it never really happens at all
It's over when it's over
What can I do about it
Now that it's over

Everything more or less
Is looking so meaningless
And fades to gray
Lying awake in an ocean of teardrops
I float away

Oh, anyone who felt like I do
Anyone who wasn't ready to fall
Anyone who loved like I do
Knows it never really happens at all
It's over when it's over
What can I do about it
Oh, now that it's over, hey baby

Anyone who felt like I do
Oh, anyone who wasn't ready to fall
Oh, anyone who loved like I do
Knows it never really happens at all
It's over when it's over
What can I do about it
Now, now it's all over
It's all over, baby

Anyone who felt
Anyone
Anyone
Anyone who loved like I do
