You promised me it would last forever
You said there's no way it could die
Everything you ever told me
was a bunch of lies

hey hey mom, I'm back on the outside
you know that's not where I belong, no
every truth, everything I believe in
has turned out wrong

It's all blah blah blah blah blah
you broke my heart so many times
a lot of blah blah blah blah blah
you broke my heart

it's so clear when you scratch on the surface
going deeper, deeper down
all I wanted was to make you happy
but baby, what's that sound ?
but baby, what's that sound ?

It's all blah blah blah blah blah
you broke my heart so many times
a lot of blah blah blah blah blah
you broke my heart
you broke my heart
you broke my heart

All you ever cared for was to make you stronger
no one I have know has looked so weak
oh yeah

It's all blah blah blah blah blah
you broke my heart so many times
a lot of blah blah blah blah blah

a lot of blah blah blah blah blah
you broke my heart so many times
a lot of blah blah blah blah blah
you broke my heart
you broke my heart

you broke my heart
you broke my heart
you broke my heart so many times
