Oooooo...

I'm crazy about you
I'll give you all my love
Yes I'm crazy about you
Night and day, day and night
I'll be your heart's salvation

Hey baby, let's stay together
Let's make it now and forever
I want to show it and shout it
and tell the whole world about it

I thought it never could happen
I thought you never would see me
You run a lovin' locomotive
You make my needs very primitive

The more I get, the more I want from you, of your
affection
When you're around, I'm in control, I feel a complete
connection

Hello, hello
I'm so crazy about you, you know... baby

Hello, hello, hello
Yes I'm crazy, so crazy about you

C'mon close your eyes, honey, trust me!
I want to enjoy your body
I want to take you much higher
and play the game of desire

Well I can't hide
I'm getting hungry for a bite
I'm blinded by this obsession
I keep dancing like your possession

I'll wrap my legs all around you I'll show you total
devotion
No need to talk Love will speak to you with sweet
emotions

Hello, hello
I'm so crazy about you, you know...baby
Hello, hello, hello
Yes I'm crazy, so crazy about you
