Living here without you
Is not an easy way of life
I spend my time without you
I try to make it all worthwhile

Standing in a rainfall
Coming down from the sky
Why should I cry over you?
Why should I cry, cry, cry over you?

I keep on thinking about you
I've got no private pride to hide
I've built my world around you
Like a call without reply

My love has lost direction
She's got the sun in her eyes
Why should I cry over you?
Why should I cry, cry, cry over you?

Hearing your footsteps
Loud on my stairs a walking
(Living without you)
Feeling the sweet, sweet smell
Of love in the air, I can feel it
(Living without you)

Kissing the face
That I see everywhere
But I'm living without you
I'm living without

Why should I cry, cry, cry over you?
Oh, hearing your footsteps
Loud on my stairs a walking
(Living without you)

Kissing the face
That I see everywhere
But I'm living without you
I'm living without

Cry, cry, cry over you
Why should I cry over you?
Cry, cry, cry over you
Cry, cry, cry over you
Why should I cry over you?

Cry, cry, cry over you
(Why should I cry?)
(Why should I cry over you?)
Cry, cry, cry over you
Cry, cry, cry
(Why, why should I cry over you?)
