Do you wanna go the whole way?
Yeah, yeah

Before we take off all our clothes
And get close together
Before it gets too serious
Both of us need to know

Are we gonna go
The whole way this time? This time?

Before all secrets are revealed
Old scars must heal or wither
But it's getting very late
And I can't wait anymore

Are we gonna go
The whole way this time?
Do you wanna go
The whole way this time? This time?
This time? This time?

Do you wanna go
The whole way now?
We're taking it easy
Do you wanna go
The whole way, babe?
Kickin' it, kickin' it slowly

Do you wanna go
The whole way this time?
Do you wanna go
The whole way this time?
This time? Do ya?

Do you wanna go
The whole way?
Do you wanna go
Whole way this time?

I don't want to wait anymore
I couldn't wait anymore
