dream on , yesterday is gone,and its clear I'll never get
outta here

no dies cause , something in my eyes, mite be a tear.
should never should stuck on , she only keeps it just for
fun.

i wanna call up love , but i never get close enough.

though i love to hear her heart-beats!!

dream on, yesterday is gone,and its clear, I'll never get
outta here

no dies cause , something in my eyes,mite be a tear
eighteen times today , i have been wishing my day
away

and its hard to say , if im winding up OKAY!!

but i pray, i hear her heart-beats!! yeah!!

dream on and yesterday is gone,and outta year, I'll
never get outta here

no dies cause , something in my eyes,mite be a tear

in my ear i hear the heart-beat x 2

yeah!! yeah!! yeah!! yeah!! yeah!!

dream on , yesterday is gone,and its clear I'll never get
outta here

no dies cause , something in my eyes,mite be a tear.

yeah !! yeah !!

dream on ,yesterday is gone,and outta year I'll never
get outta here

no dies cause , something in my eyes,mite be a tear

ohhh!! it mite be a tear...

it mite be a tear.....
