I was alone, I told my mouth to shut up
'Cos I was talking to myself like I always do when I'm
stuck
Well, I was crying, you could be crying too
I was screaming through the window, I keep missing
you

And the tears came down from the sky
And the rain feel hard on my eyes

Now you know what I look like, I'm feeling like a fool
I lose on my own, I'm going back to school
And I will pray, Hallelujah, you'll be breaking every rule
And come back to stay, I'm feeling like a fool

I really tried so hard to design my life
And there's a big black void in my head like it's been
cut by a knife
Every time your name comes around this stupidity
follows me down

Now you know what I look like, I'm feeling like a fool
I thought I could swim I'm drowning in the pool
And I will pray, Hallelujah, you'll be breaking every rule
And consider to stay, I'm feeling like a fool
Please, come back to stay, I'm feeling like a fool

I feel like a fool in my heart
I feel like a fool in my heart
I feel like a fool

Now you know what I look like, I'm feeling like a fool
I lose on my own, I'm going back to school
And I will pray, Hallelujah, you'll be breaking every rule
And come back to stay, I'm feeling like a fool

Now you know what I look like, I'm feeling like a fool
I thought I could swim I'm drowning in the pool
And I will pray, Hallelujah, you'll be breaking every rule
And consider to stay, I'm feeling like a fool
Please, come back to stay, I'm feeling like a fool

Yeah, yeah, yeah, yeah, yeah
Feel like a fool, yeah, feel like a fool, yeah
Oh yeah, feel like a fool
Oh, I'm going back, going back to school

Feel like a fool
Feel like a fool
Feel like a fool
