Baby, before you go to sleep  
Baby

There's a shadow on the terrace  
A snow dance for the living  
There's heavy weather on the way  
I heard it on the news

And life's a tough principal  
Who won't reward the losers  
Your name is on the tea-cup  
There's nothing I can do  
There's nothing I can do

But to wish you'd think about me  
Before you go to sleep  
And I wish you the best there is  
Before you go to sleep

There are tears without the color  
A million seas of water  
An ocean full of people  
Where shattered hearts can go

And love's a golden ripple  
Where answers are so simple  
But the explanations  
Are very hard to do  
Are very hard to do  
Are very hard to do

And I wish you'd think about me  
Before you go to sleep  
And I wish you the best there is  
Before you go to sleep

Ooh yes, I wish you'd think about me  
Before you go to sleep  
And I wish you the best there is  
Before you go to sleep  
Before you go to sleep

Baby, before you go to sleep  
Baby, before you go to sleep  
Go to sleep, baby
