I see you comb your hair and gimme that grin  
It's making me spin now, spinnin' within  
Before I melt like snow  
I say hello, how do you do?

I love the way you undress now, baby begin  
Do your caress, honey, my heart's in a mess  
I love your blue eyed voice, like tiny Tim shines thru  
How do you do?  
(How do you do?)

Well, here we are crackin' jokes in the corner of our  
mouths  
And I feel like I'm laughing in a dream  
If I was young I could wait outside your school  
'Cos your face is like the cover of a magazine,  
magazine

How do you do, do you do, the things that you do  
No one I know could ever keep up with you  
How do you do  
Did it ever make sense to you to say bye bye bye?

I see you in that chair with perfect skin  
Well, how have you been, baby, livin' in sin?  
Hey, I gotta know, did you say hello  
How do you do?  
(How do you do?)

Well, here we are spending time in the louder part of  
town  
And it feels like everything's surreal  
When I get old I will wait outside your house  
'Cos your hands have got the power meant to heal

How do you do, do you do, the things that you do  
No one I know could ever keep up with you  
How do you do  
Did it ever make sense to you to say bye bye bye?

Well, here we are crackin' jokes  
(How do you do?)

Well, here we are spending time

How do you do, do you do, the things that you do  
No one I know could ever keep up with you  
How do you do  
Did it ever make sense to you to say bye bye bye?

How do you do, do you do, the things that you do  
No one I know could ever keep up with you  
How do you do  
Did it ever make sense to you to say bye bye bye?

Yeah, how do you do, do you do, the things that you do  
No one I know could ever keep up with you  
How do you do  
Did it ever make sense to you to say bye bye bye?
