Halfway through the night
I wake up in a dream
Echoes in my head
Make every whisper turn into a scream
I dreamed I could fly
Out in the blue
Over this town
Following you
Over the trees
Subways and cars
I'd try to find out
Who you really are

In the middle of the night
Cool sweatin' in my bed
Got the windows open wide
Thinkin' about all the things you said

I wish I could fly
Out in the blue
Over this town
Following you
I'd fly over rooftops
The great boulevards
To try to find out
Who you really are
Who you really are

I wish I could fly now
Wish I could fly now
Wish I could fly now
I wish I could fly
Around and around
Over this town
The dirt on the ground
I'd follow your course
Of doors leh ajar

To try to find out
Who you really are
To try to find out

Who you really are
