The first time we met, time stood still  
You left me breathless, suddenly speechless  
Within the hour we were one  
Two totally strangers kissing the moonlight

Oh, you know I'm sorry I had to go  
I'm really sorry it had to die  
I'm really sorry I made you cry  
Cry

We fell in love between the nights  
Of too many lovers and too many tear drops  
And fate won't resist some satin sheets  
I was so helpless, totally ruthless

Oh you know I'm sorry I had to go  
(I'm really sorry)  
I'm really sorry you're hurt inside  
(I'm really sorry)  
I'm really sorry I made you cry  
Cry, cry

Love is lifting you up and dragging you down  
Makes you go round and round and round  
Time makes us stop then it's all gone  
Funny how memories keep linger on

Oh, you know I'm sorry I had to go  
(I'm really sorry)  
I'm really sorry it had to die  
(I'm really sorry)  
I'm really sorry I made you cry  
(I'm really sorry)

You know I'm sorry I had to go  
(I'm really sorry)  
I'm really sorry you're hurt inside  
(I'm really sorry)  
I'm really sorry I made you cry  
(I'm really sorry)  
Cry, cry

I'm really sorry  
(I'm really sorry)  
Cry, cry  
(I'm really sorry)  
Cry, cry  
(I made you cry)
