Sunny called, I was in the hall
And made a note I have to paint the kitchen walls
An angel smiled across the room
All in all, it was a lazy afternoon

Then I thought about you
I think it was some sweet song that I heard

Got to get goin', goin' ahead
It will take a long, long time
Got to go ahead and deal with my life
It has taken such a long time this time

Sunny called, I was in the bath
And heard the rain hit the roof
And tiles real hard
(Hit the roof real hard, hit the roof)

Then I ran through my magazines
A few letters poorly hidden in a jar
(Hidden in a jar, oh, what a jar)

And I thought about you
It must have been some old pictures I found

Got to get goin' goin' ahead
It will take a long, long time, yeah, yeah
Got to go ahead and deal with my life
It has taken such a long time this time

Inganakee leo yo
Inganakee leo
Inganakee leo yo
Inganakee leo

Hey, got to get goin' goin' ahead
It will take a long, long time, yeah, yeah
Oh, got to go ahead and deal with my life
It has taken such a long, such a long time, baby

Got to get goin', goin' ahead
It will take a long, long time

Oh, got to go ahead and deal with my life
It has taken such a long, time, long, long time
Long, long time, long, long time
Such a long time, baby
