You wake me up in the middle of the night
Burn the cover down
You're on the phone in the air like a record
Try to spin me around

Oh, won't you move away
Oh honey, get away
(Get away)

The joy of a toy is it all that you came for?
The joy of a toy got the look of a lie
The joy of a toy put the hurt into action
The joy of a toy, you can kiss this love goodbye

How can you win when you don't know a thing
What love is all about?
Don't wanna fight so get out of my sight
I won't surrender now

It's independence day
Oh honey, get away
(Get away)

The joy of a toy is it all that you came for?
(Joy of a toy)
The joy of a toy got the look of a lie
(Joy of a toy)

The joy of a toy put the hurt into action
(Joy of a toy)
The joy of a toy, you can kiss this love goodbye
(Joy of a toy)

Joy of a toy
Joy of a toy
Joy of a toy
Joy of a toy

The joy of a toy is it all that you came for?
(Joy of a toy)
The joy of a toy got the look of a lie
(Joy of a toy)

The joy of a toy put the hurt into action
(Joy of a toy)
The joy of a toy, you can kiss this love goodbye
(Joy of a toy)
This love goodbye, yeah

The joy of a toy is it all that you came for?
The joy of a toy got the look of a lie
You can kiss this love goodbye
Joy of a toy, hey love, goodbye
