You wake me up in the middle of the night
And burn the cover down
You're on the phone, in the air
Like a record try to spin me around
Oh won't you move away
Oh honey get away

(Chorus)

The joy of the toy
Is it all that you came for?
The joy of the toy got the look of a lie
The joy of the toy put the hurt into action
The joy of the toy
You can kiss this love goodbye

How can you win when you don't knoww
A thing what love is all about?
Don't want to fight so get out of my sight
I won't surrender now
It's independence day,
Oh honey get away

(Chorus)

Hello Goodbye
