### Verse 1

Must've been love, but it's over now

Lay a whisper on my pillow  
Leave the winter on the ground  
I wake up lonely, is there a silence  
In the bedroom and all around

Touch me now, I close my eyes  
And dream away

### Chorus

It must've been love, but it's over now  
It must've been good, but I lost it somehow  
It must've been love but it's over now  
From the moment we touched, till the time had run out

### Verse 2

Make believing we're together  
That I'm sheltered by your heart  
But in and outside, I turn to water  
Like a tear drop in your palm

And it's a hard winter's day  
I dream away

### Chorus

It must've been love (Must've been love)  
But it's over now (but it's over now)  
It was all that I wanted now I'm living without  
It must've been love (must've been love)  
It must've been love but it's over now (Four  
winds blow)

It's where the water flows, it's where the  
wind blows

### Chorus

It must've been love (Must've been love)  
But it's over now (But it's over now)  
It must've been good but I lost it somehow

It must've been love (Must've been love)  
But it's over now (but it's over now)  
From the moment we touched till the time had run out  
Hey it must've been love (Must've been love)  
But it's over now (But it's over now)  
It was all that I wanted now I'm living without  
It must've been love but it's over now (Where  
the four winds blow)

It's where the water flows  
It's where the wind blows  
Oh

Must've been love but it's over now (repeat  
out)
