ooooohh
Nananananana
Mmm-mmm

With the moon and the sun in his eyes
He's arriving
And I don't know what I'd do without him
I got life
Suddenly

See
See me
I've got nothing to hide
See me
I've got nothing to hide
See me

I'm leaving my heart in the palm of his hand
So gently
I know he knows that I love him
Though I've never said
Is there an easy way?

See
See me

I've got nothing to hide
See me
I've got nothing to hide
See me

Coming home
I'm coming home
It feels like I'm coming home
Coming home
I'm coming home

See (see me see me)
See me
I've got nothing to hide (nothing to hide)
See me
I've got nothing to hide (nothing to hide)

See (see me see me)
See me
