(In Japanese)

As my hair is touching your shoulders
red winds are singing all over town
Oriental! Hey-Ho! She's gonna be there climbing the
stair.

Flag waving up in the air.

She's gonna be there, jungle somewhere...

And Boy - Take your eyes away from her.

And Boy - Lay them on another girl.

She's a Teaser Japanese.

She's a Teaser Japanese.

She's a Teaser Japanese.

And Boy - You're gonna get burned Queen of Arts!

Hey-Ho! Eyes of black meet eyes of blue.

Beast and Beauty, wave goodbye.

Sayonara Moon up in the sky.

And Boy - Take your eyes away from her...

(in Japanese) I wish to say many things -
but you are not here.

I want to ask you a lot -
but you are not here.

You promised to be back soon,
was it only to comfort me?

I do want to see you again

And Boy - Take your eyes away from her...

(in Japanese)

I beg you to return to me
