She's the top, she's got the world on a string
She makes me boogie, makes me do anything, yeah,
yeah
Hey now, touch the sky
You've got a certain kind of look in your eyes

Well, she's a miracle, she's all that I need
Like the water and the air that I breathe, yeah, yeah
Hey now, reach the sky
There's a certain kind of look in your smile

And I know what love can do
Yes, I know what hearts can do

The big love is taking the wheel
The big love goes head over heels
The big lust, bring it into the small world
The bigger, the better

Big love, waiting to catch the big one
Head over heels, the big one
Bring it into the small world
I'm building the big, big love
I'm building the big, big love

It's kinda strange, a bit mysterious
I gotta take it oh so so serious
Hey now, touch the sky
You've got a certain kind of look in your eyes

It used to be so hard so lonely at night
Well, she's my baby and I'm feeling alright
Hey now, move the sky
There's a certain kind of look in that smile

When I'm making love with her
When I'm making love to her, yeah

The big love is taking the wheel
The big love goes head over heels
The big lust, bring it into the small world
The bigger, the better

Big love, waiting to catch the big one
Head over heels, the big one
Bring it into the small world
I'm building the big, big love, yeah
I'm building the big, big love

It has to be a big thing
It's bringing me to my knees
Has to be a big thing, big thing
You know what I'm saying

The big love is taking the wheel
The big love goes head over heels
The big lust, bring it into the small world
The bigger, the better

Big love, waiting to catch the big one
Head over heels, the big one
Bring it into the small world
I'm building the big, big love
You know, I'm building the big, big love

Big love, building the big love
Big love, big love, big love
Big love, big love, big love
