What am I gonna do when I get a little excited
A little in pain, tell me
What am I gonna say when I find
The centre of my heart is a suburb to the brain

You wear them so well
Those innocent eyes
You're putting on a wonderful disguise
I want you so bad
I'm pushing my luck
It feels like being hit by a truck
This is no place special
Don't know why I came
If someone has a minute
Won't you explain

What am I gonna do when I get a little excited
A little in pain, tell me
What am I gonna say when I find
The centre of my heart is a suburb to the brain

Singin' na nana nana na
Na nana nana na

Being with you
Dealing with fire
I want you come around
(Come out)
Come out
(Today)
And play
(I want you so bad)
Answer my calls
Let's spend the night
Within these walls
This is no place special
Nothing for the same
(Nothing for the same)
If someone's got a minute
Do please explain

What am I gonna do when I get a little excited
A little in pain, tell me
What am I gonna say when I find
The centre of my heart is a suburb to the brain

Singin' na nana nana na
Na nana nana na

What am I gonna do when I get a little excited
A little in pain, tell me, tell me, tell me, tell me
What am I gonna do when I get a little excited
A little in pain, tell me
What am I gonna say when I find
The centre of my heart is a suburb to the brain

Singin' na nana nana na
Na nana nana na

What am I gonna do when I get a little excited

What am I gonna say when I find
The centre of my heart is a suburb to the brain
