What am I gonna do when I get a little excited  
A little in pain, tell me  
What am I gonna say when I find  
The centre of my heart is a suburb to the brain

You wear them so well  
Those innocent eyes  
You're putting on a wonderful disguise  
I want you so bad  
I'm pushing my luck  
It feels like being hit by a truck  
This is no place special  
Don't know why I came  
If someone has a minute  
Won't you explain

What am I gonna do when I get a little excited  
A little in pain, tell me  
What am I gonna say when I find  
The centre of my heart is a suburb to the brain

Singin' na nana nana na  
Na nana nana na

Being with you  
Dealing with fire  
I want you come around  
(Come out)  
Come out  
(Today)  
And play  
(I want you so bad)  
Answer my calls  
Let's spend the night  
Within these walls  
This is no place special  
Nothing for the same  
(Nothing for the same)  
If someone's got a minute  
Do please explain

What am I gonna do when I get a little excited  
A little in pain, tell me  
What am I gonna say when I find  
The centre of my heart is a suburb to the brain

Singin' na nana nana na  
Na nana nana na

What am I gonna do when I get a little excited  
A little in pain, tell me, tell me, tell me, tell me  
What am I gonna do when I get a little excited  
A little in pain, tell me  
What am I gonna say when I find  
The centre of my heart is a suburb to the brain

Singin' na nana nana na  
Na nana nana na

What am I gonna do when I get a little excited

What am I gonna say when I find  
The centre of my heart is a suburb to the brain
