Just a little bit
Just a little bit
Oh yeah
Just a little bit

I left and wrote down this song
'Cos my life looked so shattered
I thank the Lord I'm still strong like before
I picked myself up from the floor

Just a little bit
Just a little bit

I tried
Just a little bit
Tried just a little bit harder

Just a little bit
Just a little bit
Oh yeah
Just a little bit
Just a little bit

If someone wants you to bleed
And it feels like you're dying
Don't make the moves you don't need
Oh, don't cry, just say ba-ba-bye, bye and try

Just a little bit
Try
Just a little bit
Just a little bit

Try just a little bit harder
Just a little bit
Just a little bit

Oh, you'll survive
Just a little bit
Try just a little bit harder
Just a little bit
Just a little bit

Go ahead and try
Just a little bit
Just a little bit

Mondays and rainy days
Were in my pocket
I don't never want to send them to you
I don't want to send them, on to you
Bring them home to you

Just a little bit
Just a little bit

I tried
Just a little bit
Tried just a little bit harder

Just a little bit
Try
Just a little bit
Just a little bit
Try just a little bit harder

Just a little bit
Just a little bit
Go ahead and try
Just a little bit

Just a little bit
Just a little bit harder
Just a little bit harder
Just a little bit
Try just a little bit harder

A little bit harder
A little bit harder
Just a little bit
Go ahead and try

Just a little bit
Just a little bit

Just a little bit
Just a little bit
Oh, just a little bit
