Turn to me when your heart breaks away
Turn to me, don't turn me away
When every thing's sad and down
When you're lookin' for somewhere to run

Why don't you turn to me?
Turn to me
Why don't you turn to me?
Turn to me

Turn to me when the moon gets to go
Turn to me when the story's been told
When every thing's dim and gray
(When every thing's dim and gray)
When you're hitting a rainbow way, yeah

Why don't you turn to me?
(Me)
Turn to me
(Why don't you turn to me?)

Why don't you turn to me?
(Me)
Turn to me
(Why don't you turn to me?)

Now that Christmas is here
I'll shatter your fears
And if you want the secrets of mine
Turn to me and read these lonely, lonely eyes

Why don't you?
Why don't you turn to me?
Turn to me

Why don't you turn to me?
(Me)
Will I, I'm here
(Why don't you turn to me?)

Why don't you turn to me?
(Me)

Turn to me
(Why don't you turn to me?)

Why don't you?
Why don't you turn to me?
(Me)
Will I, I'm here
(Why don't you turn to me?)

Turn to me
Me, why don't you turn to me?
Me, why don't you turn to me?
Me, why don't you turn to me?
Me, why don't you turn to me?
