Everywhere I look, I see her smile  
Her absent minded eyes  
And she has kept me wonderin' for so long  
How this thing could go wrong

It seems to me that we are both the same  
Playin' the same game  
But as darkness falls this true love falls apart  
Into a riddle of her heart

She's so vulnerable like China in my hands  
She's so vulnerable and I don't understand  
I could never hurt the one I love, she's all I've got  
But she's so vulnerable, oh, so vulnerable

Days like these no one should be alone  
No heart should hide away  
Her touch is gently conquering my mind  
There's nothin' words can say

She's colored all the secrets of my soul  
I've whispered all my dreams  
But just as night time falls this vision falls apart  
Into a riddle of her heart, yeah

She's so vulnerable like China in my hands  
(She's so vulnerable)  
She's so vulnerable and I don't understand  
(Oh, so vulnerable)  
I could never hurt someone I love, she's all I've got  
But she's so vulnerable, oh, so vulnerable, yeah

Don't hide your eyes

She's so vulnerable like China in my hands  
(She's so vulnerable)  
She's so vulnerable and I don't understand  
(Oh, so vulnerable)  
I could never hurt the one I love, she's all I've got

But she's so vulnerable like China in my hands  
(She's so vulnerable)

She's so vulnerable and I don't understand  
(Oh, so vulnerable)  
I could never hurt some one I love, she's all I've got  
She's so vulnerable, oh, so vulnerable, yeah

She's so vulnerable  
(My baby, she's so vulnerable)  
She's so vulnerable, oh yeah  
Oh, so vulnerable

(She's all I've got)  
She's so vulnerable  
She's so vulnerable  
Oh, so vulnerable
