Going through the motions  
Ending up nowhere at all  
Can't see the sun on my wall

Going through emotions  
Ending up on a frozen morning  
With the heart not even broken

Seems I've been running  
All my life, all my life  
Seems I've been running  
All my life, all my life, all my life  
Like watercolours in the rain

Find a place to gettle down  
Get a job in the city nearby  
And watch the trails roll on by

I'll find the falli' star  
I'll fall in love with the eyes of a dreamer  
And a dream worth believing

Seems I've been running  
All my life, all my life  
Seems I've been running  
All my life, all my life, all my life  
Like watercolours in the rain

Like watercolours in the rain  
Like watercolours in the rain
