City stree-eets, Walkin' after midnight
Lost in the crowd, out on my ow-own
Without you here, the nights are never endin'
I still see your face, wherever I go
I close my eyes across a million miles of broken drea-
eams
And pray your restless soul will lead you back again to
me

Where are you now-ow? Are you missing me tonight?
Or does someone else hold you ti-ight?
Take a look arou-ound, are you just too blind to see?
No-one could love you more-ore than me
And when your world comes tumblin' dow-own
Someday I'll hear you say-ay, Where are-are you now?

All alone in a tow-own full of strangers
Talkin' to myself, over a drink or two-oo
Lookin' through tears for a runway angel
Dancin' 'til dawn, with memories of you-ou
I listen to my lonely heart in rhythm with the rain
(rhythm with the rain)
And pray I'll find a way to make your stormy seasons
change, baby

Where are you now-ow? Are you missin' me tonight?
Or does someone else hold you ti-ight?
Take a look arou-ound, are you just too blind to see?
No-one could love you more-ore than me-ee
And when your wor-orld comes tumblin' dow-own
Someday I'll hear you say-ay, Where are-are you now?

I wonder if you ever-er wonder what became of me
Baby I need you so desperately toni-i-ight
Baby won't you tell me-ee, Where are-are you now?

And when your-our world comes tumblin' dow-own
Someday I'll hear you say-ay
You know I'll hear you say-ay

Where are you now-ow? Are you missin' me tonight?
Or does someone else hold you ti-ight?

Take a look arou-ound, are you just too blind to see?
No-one could love you more-ore than me-ee

Where are you now-ow? Are you missin' me tonight?
