So messed up well I want you here
And in my room well I want you here

And now we're gonna be face to face
I'm gonna lay right here in my favourite place

And now I wanna be your dog
And yeah I wanna be your dog
And now I'm gonna be your dog
Yeah

Yeah yeah yeah yeah

And now I'm ready to close my eyes
And now I'm ready to close my mind
And now I'm ready to hold your hand
And lose my heart in the burning sand

Now I wanna be your dog (x3)

Now I wanna be your dog (x9)

Now I wanna be your dog (x8)
