Iâ€™m danger beware
Iâ€™ll be your worst nightmare
Youâ€™re no good come here
I know that things are weird

Yeah well things are changing
My suicidal dreams
Well youâ€™re still waiting
Poppinâ€™ off yeah

Yeah Iâ€™m a rebel come over here
Yeah Iâ€™m a rebel come over here

Well whatâ€™s wrong youâ€™re scared
I want you to go down there
Let me take a scalpel to your brain
Iâ€™ll make you so insane
Yeah-well things are changing
My suicidal dreams
Well Iâ€™m still wasted
Poppin off yeah
Yeah youâ€™re a rebel live down here
Yeah Iâ€™m a rebel come over here
Yeah Iâ€™m a rebel come over here

Well goodbye my friends
Thereâ€™s no one who make you sin like I do everyday
Yeah whatâ€™s wrong you scared
I want you to go down there
Itâ€™s all right you see
We sit all day and sing like rebels in our room
And no oneâ€™s coming after you

Donâ€™t be paranoid
Donâ€™t be paranoid
Donâ€™t be fâ€™n changed, changed

Yeah Iâ€™m a rebel come over here
Well whatâ€™s wrong you scared
I want you to go down there
I want you to go down there

We'll sing like rebels in our room
And no one's coming after you
Don't be paranoid
Don't be paranoid

Don't be the analyzer
When you're going down on her
