Hear that lonesome whippoorwill he sounds too blue to  
fly  
The midnight train is whining low I'm so lonesome I  
could cry  
I've never seen a night so long when time goes  
crawling by  
The moon just went behind a cloud to hide it's face and  
cry  
[ harmonica ]  
Did you ever see a robin weep when leaves began to  
die  
That means he's lost the will to live I'm so lonesome I  
could cry  
The silence of a falling star lights up a purple sky  
And as I wonder where you are I'm so lonesome I could  
cry  
I'm so lonesome I could cry
