Pain has been the thing  
Everyone loves to give  
My heart's been torn and broken  
Enough to never live... again

So go ahead and try  
Find my heart that's cold  
Give my love a shot  
If ever you be so bold

Pick up the pieces  
Seems to be the game  
So show that you're not  
Going to be the same

Maybe there's a way  
To tell you how I feel  
I don't want to be known  
As the woman made of steel

Look into my eyes  
And tell me what you see  
Tell me if you can really love  
Someone as cold as me

I'm not saying I don't love you  
I'm just warning you beware  
Don't get tangled in my web  
Cause life isn't always fair
