I was standing by my window on a cold and cloudy day
When I saw the hearse come rolling to carry mother
away

Will the circle be unbroken by and by Lord by and by
There's a better home awaiting in the sky Lord in the
sky

[ac.guitar]

I said to the undertaker undertaker please drive slow
For this lady you are hauling oh I hate to see her go

[harmonica]

I will follow close behind her try to hold up and be brave
But I could not hide my sorrow when they laid her in her
grave

[fiddle]

Went back home and home was lonesome since my
mather she had gone

Found my brothers sisters crying what a home so sad
and lone

Will the circle be unbroken...
