Your cheating heart will make you weep you'll cry and
cry and try to sleep
But sleep won't come the whole night through your
cheating heart is gonna tell on you

When tears come down like falling rain you'll toss
around and call my name
Your gonna walk the floor the way I do your cheating
heart is gonna tell on you

Your cheating heart will pine someday and crave the
love you threw away
The time will come when you'll be blue your cheating
heart is gonna tell on you

When tears come down like falling rain you'll toss
around and call my name
Your gonna walk the floor the way I do your cheating
heart is gonna tell on you

Your cheating heart is gonna tell on yooou.
