I've gotta keep walking  
To someone I love  
This empty house in jeopardy  
Living with out you

It seems I keep falling  
For someone somewhere  
One single house of someone real  
Keeps me hanging on.

Now I really don't mind that it's been so long  
That somewhere in this world you exist  
and it really won't seem like it's been so sad  
just as long as I know I've been missed

And time is on our side  
Cuz somehow I know you're there

We've been talking (YEAH YEAH!!)  
Bout someone like you  
I love you...  
in my loneliness  
and it keeps me walking on.

(bridge)  
Hey hey baby  
I love you, I need you  
Keep on walkin (Ooh I'll keep on walking)

I gotta keep walking (YEAH YEAH!!)  
To someone I love  
My faith and your reality  
It keeps me hanging on.....  
(Oh Woaaa-ooaahh)

(Adlib to the end)
