Oh, Cadillac baby, how that woman loves a ride
Yes, Cadillac baby, how that woman loves a ride
Yes, crazy 'bout that hydromatic, gives her such an
easy ride
She loves her rollin', how she loves to ball the Jack
Yes, crazy 'bout a-rollin', how she loves to ball the Jack
Yes, crazy 'bout that easy ride, crazy 'bout that Cadillac
We turned on the radio, cruised down the avenue
Yes, turned on the radio, cruised on down the avenue
Baby's crazy 'bout daddy, daddy loves his baby too
Oh, blow, blow!

Oh, along about midnight, baby comes knockin' on the
door
Yes, along about midnight, baby comes knockin' on the
door
Oh, daddy take out that Cadillac, baby wants to ride
some more
Oh, last night we went a-ridin', ridin' in the rain
She was my baby, I was her man
She said: "Daddy ride long-long time,
You ride so easy, so another way's fine"
If you get tired ridin', stop and rest
Park it in the spot your baby loves the best
Cadillac baby, how that woman loves a ride
Yes, Cadillac baby, how that woman loves a ride
Crazy 'bout that easy ride and how she loves that
Cadillac
Oh, we're gonna ride all night long
Yes, we're gonna ride all night long
Oh, we're gonna ride all night long
Hey, we're gonna ride all night long
We're gonna ride all night long
We're gonna ride all night long
We're gonna ride all night long
We're gonna ride, baby, all night long
