(Bill Monroe)

Blue moon of Kentucky keep on shining.  
Shine on the one that's gone and left me blue  
Blue moon of Kentucky keep on shining  
I'm the one that's gone and proved untrue.

It was on a moonlight night,  
The stars were shining bright.  
And they whispered from on high,  
Your love has said goodbye.

Blue moon of Kentucky keep on shining.  
Shine on the one that's gone and left me blue,

--- Instrumental ---

I said blue moon of Kentucky keep on shining.  
Shine on the one that's gone and left me blue  
Blue moon of Kentucky keep on shining  
Shine on the one that's gone and left me blue.

It was on a moonlight night,  
The stars were shining bright.  
And they whispered from on high,  
Your love has said goodbye.

Blue moon of Kentucky keep on shining.  
Shine on the one that's gone and left me blue.

--- Instrumental ---

It was on a moonlight night,  
The stars were shining bright.  
And they whispered from on high,  
Your love has said goodbye.

Blue moon of Kentucky, keep on shining.  
Shine on the one that's gone and left me blue...
