Everybody says I'm foolish  
Let you fool me like you do  
They don't understand that I can't stand  
The thought of losin' you.

If they could see inside of me  
And what my heart goes through  
They'd know I'm happy to be unhappy  
And I'm glad to be your fool.

Yes, I'm happy to be unhappy  
And I'm proud to have no pride  
I'm happy to be unhappy  
Just so I'm walking by your side.

You don't want and you talk me  
And laugh at my love like you do  
I'm still happy to be unhappy  
And I'm glad to be your fool.

Yes, I'm happy to be unhappy  
And I'm proud to have no pride  
I'm happy to be unhappy  
Just so I'm walking by your side.

You don't want and you talk me  
And laugh at my love like you do  
I'm still happy to be unhappy  
And I'm glad to be your fool...
