They say you're too possessed of me
With love like this who wants to be free
I need to be needed I need to be needed
So baby, it's all right with me.

They say you're full of jealousy too
That I can't make a move without you
I need to be needed I need to be needed
So baby, it's all right with me.

Foot loose people
Seem to have a lot of fun
But foot loose people cry a lot
When the party's done.

I need to be needed I need to be needed
So baby, it's all right with me.

So baby, it's all right with me...
