We're not as young as we used to be  
But baby I don't mind  
'Cause growing with you is gonna be  
Full of life and good times.

And if I had it to do all over again I'd do it with you  
I won't want to miss a thing that we've been through  
Baby nothing can compare with the good love that  
we've shared  
And if I had to do it all over again I'd do it with you.

Looking back on life I can't complain  
It ain't been easy but don't you know  
We still had sunshine even when it rained  
And we've shared a love you have known.

And if I had it to do all over again I'd do it with you  
I won't want to miss a thing that we've been through  
Baby nothing can compare with the good love that  
we've shared  
And if I had to do it all over again I'd do it with you.

And if I had it to do all over again I'd do it with you  
I won't want to miss a thing that we've been through  
Baby nothing can compare with the good love that  
we've shared  
And if I had to do it all over again I'd do it with you...
