I'll live every day for you  
And I'll breath ever breath for you  
So if I'm mean and make you blue  
It's my way of loving you.

And if I say that you're untrue  
And it breaks your heart in two  
And I can't help these things I do  
'Cause it's just my way of loving you.

Try to understad my love look into look into my heart  
Can't you see I'd want to die if we should ever part  
All my life all my life I'm gonna love you so  
There may be times that it may not show.

That my love for you is true  
But it's just my way of loving you...
