Just one more dance just one more chance so I can talk
to you

Don't live too fast forget the past and I will try to prove
I would do anything you ask me to

Don't run around don't turn me down let me talk to you.

Don't go too fast with that crowd from your past
That's not the way to win please fall in love again
Give me your heart so I can start to build our life anew
I know you paid so if you're afraid let me talk to you.

Don't go too fast with that crowd from your past
That's not the way to win please fall in love again
Give me your heart so I can start to build our life anew
I know you paid so if you're afraid let me talk to you...
