I don't want this lonely mansion with a tear in every  
room  
I just want the love you promised beneath the halo'd  
moon  
But you thought you could be happy with my money  
and my fame  
And pretend I wasn't noticed but you played your  
cheating games.

Silver threads and golden needles will not tie your  
heart to mine  
And I'll never drown my sorrows in the warm glow of  
the wine  
I won't buy your love with money for I never was that  
kind  
Silver threads and golden needles cannot tie your  
heart to mine.

--- Instrumental ---

Silver threads and golden needles will not tie your  
heart to mine  
And I'll never drown my sorrows in the warm glow of  
the wine  
I won't buy your love with money for I never was that  
kind  
Silver threads and golden needles cannot tie your  
heart to mine.

Silver threads and golden needles cannot tie your  
heart to mine...
