(We could, we could, we could, we could you and I.)

If anyone could find the joy that true love brings a girl
and boy

(We could, we could) you and I

If anyone could ever say that their true love was here to
stay

(We could, we could) you and I.

When you're in my arms I know you're happy to be
there

And just as long as I'm with you I'm happy anywhere

If anyone could pray each night and thank the Lord that
all is right

(We could, we could) you and I.

When you're in my arms I know you're happy to be
there

And just as long as I'm with you I'm happy anywhere

If anyone could pray each night and thank the Lord that
all is right

(We could, we could) you and I.

(We could, we could, we could, we could you and I...)
