Without a song
The day would never end
Without a song
The road would never bend

When things go wrong
A man ain't got a friend
Without a song

That field of corn
Would never see a plow
That feel of calm
Would be deserted now

A child is born
But he's no good no how
Without a song

I've got my troubles and woe
But sure as I know
That Jordan will roll

I'll get along
As long as a song
Is strong in my soul

I'll never know
What makes the rain to fall
I'll never know
What makes the grass so tall

I only know
There is no love at all
Without a song
