In a town in the east  
The parishioners were visited upon  
By a curious beast, hew  
And his eyes  
Numbered but one and shone like the sun  
And a glance beckoned the immediate loss  
Of a cherished one  
Hew, it was the comin' of the

Black shuck  
(Black shuck)  
That dog don't give a fuck

Black shuck  
(Black shuck)  
Black shuck  
(Black shuck)  
Black shuck  
(Black shuck)  
That dog don't give a fuck

Flames licked round the sacred spire  
And the congregation's last line of defense  
Was engulfed in fire, hew  
As the flaming  
Priest stepped into the firing line  
On the business end of a beam of despair  
God, he took his own life  
Hew, during the comin' of the

Black shuck  
(Black shuck)  
Black shuck  
(Black shuck)  
That dog don't give a fuck

A nimbus of blue light surrounds a crimson paw  
As he takes another fatal swipe  
At the Blytheburgh church door
