All I wanna do is spend a little time with you
But you're so young It's obscene
I'll just keep biding my time
'Til you put your little hand in mine
Boy, I can't wait for the day when you finally turn
sixteen

There are so many rats I'm a sinking ship
There's so much of you I can't wait
Get to grips When your halo slips
Ow!

How dare you call this love
Ooh That's what they say
It's an urge I've gotta fight!
How dare you call this love
When it flies in the face
Of all that is good and is right
Yeah

You've got it all
And you're always my first port of call
This is the happiest I've ever been
And I know I should wait but you lay it all out on a plate
And I'm just too fond of you, Boy
To let the laws of nature intervene

There are so many rats I'm a sinking ship
There's so much of you I can't wait
Get to grips when your halo slips
Ow!

How dare you call this love
Ooh That's what they say
It's an urge I've gotta fight!
How dare you call this love
When it flies in the face
Of all that is good and is right
Yeah

ga-ga-gow
Yeah

kick it man

How dare you call this love
Ooh That's what they say
It's an urge I've gotta fight!
How dare you call this love
When it flies in the face
Of all that is good and is right
Yeah

How dare you call this love
Ooh That's what they say
It's an urge I've gotta fight!
How dare you call this love
Oh, but please not again
Ahhh Yeah cause it flies in the face
Of all that is good and is right
Yeah
